Licensed Electrician with 7+ Years of Professional Experience Specializing in Industrial, Commercial & Residential Arenas

SUMMARY OF SKILLS

A highly trained, self-directed, and conscientious electrician with 7+ years of comprehensive experience in a variety of industrial, commercial, and residential environments. Results-oriented individual with strong qualifications in cost containment, customer support/relations, safety and regulatory compliance, and risk management/avoidance. Recognized as a performer, accustomed to working under fast-paced, high-volume, time-sensitive conditions; ability to manage multiple responsibilities simultaneously, successfully resolve issues, and consistently exceed established goals and objectives. Team player acknowledged for capacity to thrive in both independent and collaborative work environments; propensity to establish and maintain solid relationships with co-workers, clients, contractors, and management. Quick learner, with capability to easily grasp and apply new ideas, concepts, methods, and technologies. Exceptional investigative, analytical, troubleshooting, and problem-solving skills.
