PROFESSIONAL EXPERIENCE

Wireless Company

Meridian, ID

Sept.2005 – Present

PROJECT MANAGER

- Launched and directed the Los Angeles, California and Roseburg, Oregon offices and crews.
- Scheduled and coordinated multiple projects under budget and on time; Projects included AT&T, Cingular, Sprint, Nextel, Verizon, T-Mobile, Air Cell, Crown Castle, American Tower, U.S. Cellular, and Edge Wireless.
- Responsible for forecasting, budgeting, reporting, and knowledge of expense control; prepared plans, specifications, and schedules for all trades.
- Presided over and managed multiple assignments, superintendents, and subcontractors; supervised trade partners, enforced quality standards, and met deadlines.
- Executed bids and estimated projects; managed inventory including equipment and materials; attended bid, pre-con, and punch walk meetings; completed and submitted close out documents.
- Directed a full-time crew consisting of twenty four (24) employees; planned staff schedules to ensure adequate manpower coverage.
- Demonstrated tremendous interpersonal skills; worked closely interdepartmentally to ensure budget management, trade partner evaluations, responsibility, conduct, and job performance.
- Interacted with OSHA, Hazmat, environmental, state, county, and city inspectors in an effort to comply with safety standards.

Results/Accomplishments:

- Consistently achieved results that exceeded key performance objectives.
- Recognized for containing costs, meeting stringent schedules, and profit attainment.
- Managed and completed over one hundred (100) site modifications for Cingular/AT&T; worked split crews around the clock and completed all projects on target.
- Built and executed the first synergy sites for Sprint /Nextel.
- Constructed and executed the building of multiple Raw Land sites for Verizon; met strict on air deadlines.

ABC Company

Everett, WA

Jan. 2005 – Sept. 2005

CONSTRUCTION FOREMAN

- Facilitated the building of project sites from ground up; completed projects on schedule and within budget.
- Managed a three (3) man crew in the construction of raw land, rooftop, and co-locate sites;
- Preserved a sanitary and secure work environment; adhered to safety standards/compliance.
- Coordinated and supervised all phases of construction including utilities, grounding, concrete, FRP, framing, T.I., tower erection, cabling, and rigging.
- Conducted troubleshooting and maintenance on Verizon sites in the Washington market.

PROFESSIONAL EXPERIENCE (CONTINUED)**ABC Netcom****Riverside, CA****Aug. 1997 – Dec. 2004***PROJECT MANAGER*

- Controlled the production of multiple crews and projects.
- Scheduled sub contractors and equipment, pre-ordered material, and calculated project timeline.
- Ensured the safety and welfare all crew members; regularly conducted safety meetings and training sessions; enforced strict quality standards.
- Developed solid interpersonal, communication, leadership, and team-building skills.

Results/ Accomplishments:

- Hired, selected, and promoted from Construction Lead to Foreman to Construction Superintendent to Project Manager.
- Contributed to solid cost reductions and revenue profit/growth.
- Proven track record in outstanding customer service, communication, ethics, compliance, and personal performance.
- Assisted engineers in the development and design of rooftop concealment sites.
- Notable projects managed during tenure included: the construction of multiple towers on the I-15 corridor from Salt Lake City to Las Vegas, the Sprint PCS build out in Los Angeles, the Liberty project for AT&T in Southern and Central California, and the Nextel build out in southern California and Nevada.
